

CITY OF SPRINGFIELD  
INTER-OFFICE MEMORANDUM

ATTENTION OF \_\_\_\_\_ FILE \_\_\_\_\_

DATE December 18, 1984

DEPARTMENT \_\_\_\_\_

On Sunday, December 16, 1984, at 10:30 p.m., I received a call from the fire department on the pager that the resident of the house on 518 W. Pacific could smell diesel fuel in the storm sewer. I traced the odor back to the storm sewer at 500 W. Chase which is in front of GTL, Inc. There was between 5 and 10 gallons of #2 diesel fuel in the street and it was trickling into the storm box at this location. I asked the street department to put sawdust down on the spill.
